

## Underwater-transformer 12 V, 150 VA, IP68

Safety-underwater-transformer, IP68, waterproof until 1 m water depth

*(Photo shows similar transformer but with different power)*

Type-no.	096 181 150
Use for	Underwater-halogen-lighting
Voltage	prim. 230 V / sec. 11.6 V
Power	150 VA
Input	Underwater-cabel 10 m
Output	1 x 150 W with underwater-cabel 2.5 m
Size / weight	180 x 130 x 105 mm, 6.5 kg
Origin	Made in Germany
Default delivery-time	3-4 weeks
