

Underwater-transformer 12 V, 300 VA, IP68

Safety-underwater-transformer, IP68, waterproof until 1 m water depth

(Photo shows similar transformer but with different power)

Type-no.	120 183 300
Use for	Underwater-halogen-lighting
Voltage	prim. 230 V / sec. 11.6 V
Power	300 VA
Input	Underwater-cabel 10 m
Output	1 x 300 W, each with underwater-cabel 2.5 m
Size / weight	230 x 130 x 130 mm, 14.0 kg
Origin	Made in Germany
Default delivery-time	3-4 weeks
