

Electronic transformer 60 W with fuse

Electronic transformer with secondary fuse
(special version for german fairs)

(Photo shows similar transformer but with different power)

Type-no.	012 049 060
Intended use	Low-voltage-halogen-lighting
Voltage	Primary 230 V / Secondary 11.6 V AC
Power	10 - 50 W
Input	Wire (2m) with euro-plug, exchangeable fuse
Output	1 x 50 W with terminal block
Size / weight	155 x 45 x 23 mm / 200 g
Approvals	CE 
Standard delivery time	1-2 days
